SPONSORSHIP

Sponsor Acalanes Data Fest 2026

WITH BRIDGEGOOD

A free, student-run data science and AI hackathon for 50 Bay Area high school students, organized by Acalanes Data Science Club and hosted by BRIDGEGOOD.

Saturday, November 21, 2026 | 9 AM to 5 PM | Oakland

WHEN
Saturday, November 21, 2026 | 9 AM-5 PM Pacific

WHERE
BRIDGEGOOD studio, 95 Washington St, Oakland

The event

Teams of 1-4 explore real datasets, build projects, and present to judges. Beginners are welcome.
Projects may cover community impact, finance, machine learning, and data visualization.
Top teams are invited to showcase at BRIDGEGOOD's Inspiration Awards on December 11, 2026, at Salesforce Tower in San Francisco, alongside technology professionals and industry leaders.

Sponsor-supported prizes

Top teams receive cash awards and official Data Fest recognition. Sponsor offers include app-building and software credits, developer memberships, security scans, project materials, workshops, and mentoring.

Included with every cash tier

- Club-event recognition through November 21, 2027, including future club events.
- Frequent mentions during weekly meetings at Acalanes High School.
- Optional event participation as judges, mentors, or both.

Suggested support levels

Cash support helps cover food, prizes, and event costs. Community contributions are welcome too. Examples include food, drinks, software, compute, and project materials.

Event Sponsor
$250
Company name on the sponsor page and event-day recognition slide.

Supporting Sponsor
$500
Everything in Event, plus logo on the sponsor page and event-day slide.

Lead Sponsor
$1,000
Everything in Supporting, plus larger logo placement and an opening thank-you.

Presenting Sponsor
$2,500
Everything in Lead, plus top logo placement and opening and closing thank-yous.

Community Sponsor
Food, drinks, software, compute, prizes, or project materials are welcome. Recognition is coordinated around the contribution and event needs; there is no fixed amount.

Different amounts or a mix of cash and community support are welcome.
