A FREE, STUDENT-RUN DATA SCIENCE + AI HACKATHON

Power the next generation of data science.

Help bring **50 Bay Area high school students** together for a day of building, learning, and sharing projects with data.

HOSTED BY
BRIDGEGOOD

DATE + TIME
November 21, 2026
9:00 AM - 5:00 PM Pacific

LOCATION
BRIDGEGOOD studio
95 Washington St, Oakland

WHO CAN JOIN
Bay Area high schoolers
Teams of 1-4; beginners welcome

A day to build with real data.

Students work in teams of 1-4 to explore datasets, build projects, and present to judges. Projects may focus on community impact, finance, machine learning, or data visualization. Acalanes Data Science Club organizes the event with BRIDGEGOOD as host.

THE NEXT STAGE

Top teams are invited to showcase at BRIDGEGOOD's Inspiration Awards on December 11, 2026, at Salesforce Tower in San Francisco.

Sponsor-supported prizes

Top teams receive cash awards and official Data Fest recognition. Sponsor offers include app-building and software credits, developer memberships, security scans, project materials, workshops, and mentoring.

Suggested support levels

Cash support helps cover food, prizes, and event costs. Community contributions are welcome too.

Event Sponsor
$250
Company name on the sponsor page and event-day recognition slide.

Supporting Sponsor
$500
Everything in Event, plus your logo on the sponsor page and event-day slide.

Lead Sponsor
$1,000
Everything in Supporting, plus larger logo placement and a spoken thank-you during opening remarks.

Presenting Sponsor
$2,500
Everything in Lead, plus top logo placement and spoken thank-yous at opening and closing.

Community Sponsor
No fixed amount
Food, drinks, software, compute, prizes, or project materials are welcome. Recognition is coordinated around the contribution and event needs.

Every cash tier also includes

- Club-event recognition through November 21, 2027.
- Frequent mentions at weekly club meetings.
- Optional participation as judges or mentors.

Help keep Data Fest free.
